Collection of Recyclables from Condominium/Apartment Buildings

Recycling companies, collectors, and organizations that provide pickup of recyclables from condominium/apartment buildings are listed below. This list may not be all-inclusive.

Company	Contact Person	Phone #	Web
Oahu Community Recycling	Fung Yang	262-2724	ocr2000.com
GMI, Inc.	Shanna Kealoha	682-0660	
Honolulu Recovery Systems	Suzie Say	842-3602	
Ohana Hui Recycling	Jose Gonsalves	299-5818 (pager)	
United Cerebral Palsy	Nancy Sandell	254-0114	

Arrangements can be setup in numerous ways:

- Your condo could agree to a base charge to cover the collection service, and the collector would credit back the value of the deposit containers.
- If your condo can guarantee a minimum quantity of deposit containers to offset collection costs, the collector may establish a no-cost service.
- Your condo could limit collection to deposit containers only and negotiate a split of the nickel deposit value with a collector.
- Your condo could limit collection to deposit containers only and take them to a redemption center yourselves for the full deposit return.
- Your condo could collect deposit containers only and donate them to a non-profit organization offering pickup, such as the United Cerebral Palsy. Other non-profit organizations may be interested as well. UCP is the only organization, thus far, who has contacted the City's Recycling Office indicating that they are ready to provide service.

City Recycling Specialists are available to provide consultation throughout your contractor selection process. Please call Irobela Wreagh at 768-3425 if you need assistance.

When you are ready to implement your recycling program, the City's Recycling Office can further assist with tenant educational materials, including door hangers, posters, flyers, and/or assist you in developing your own.
