### New Service Now Available!!!

OCR will now be providing its' customers with convenient pickup of all old **Ink and Toner cartridges** as well as old cell phones. OCR has recently partnered with Intrade Corp. in order to provide this new service. Intrade has offered to pay OCR for all used Ink and Toner cartridges as well as **old cell phones** and OCR will be donating those proceeds directly to schools throughout the community. In order for this new service to be a success please help us by placing all items in a dry plastic bag that is clearly discernable from your other recyclables. Just place the bag on top of your paper recyclable bin and OCR will handle the rest. For more information on Intrade Corp. and on the benefits of recycling these materials check out Intrade on the web at [www.intradecorporation.com](http://www.intradecorporation.com)

### Special Thanks to the Makahiki Festival

OCR would like to extend a special thanks to the Makahiki festival. Thanks for providing OCR with a booth and allowing us to spread public awareness about the benefits of recycling and our services within the community. Thanks to all those who showed interest in our services and to those who signed up for curbside recycling through OCR. We look forward to helping you recycle. Also thanks to all the musicians and artists that helped to make the festival a success once again. For photos and archives of the event check out the Makahiki Festival website at [www.makahikifestival.com](http://www.makahikifestival.com)

### Refer a Friend and Save Some Dough

OCR would like to remind all of our clients that each time you refer a friend or neighbor you will receive one free pickup (\$8). Make sure you let them know that when they sign up their first pickup is free and tell them to mention your name and the Refer-a-Friend program to receive the benefits. Thanks for your help in encouraging recycling.

### Happy Holidays OCR Recyclers

On the back of this newsletter is a coupon for a discount on Keopu 100% organic estate grown Kona Coffee. See reverse side for details and have a happy holiday!

\*Special Note: Please line your HI 5 recycle bins with plastic bags and tie shut before putting them out. We have had a problem with people stealing the bins for the redeemable recyclables and can not afford to continue to replace the bins for free. Thank you for your help.
